Hi Milo,

Please digitize the blue outline on the PhaseIII_Results_2016...pdf. I need the outer part digitized, not the detail of Areas A and D. I am guessing this explanation may not make sense, so I think I should probably stop by your cube late tomorrow to clarify this.

Also, to help understand where the locations are, I am sending you the spreadsheet with the PFOA results. I will explain how to use this tomorrow, too.

Thank you,
Jenny
